The purpose of the adoption procedure is to find the best home for each animal, ***to find them a loving forever home.*** Please **read and initial** the following:

I understand that a new cat/kitten will require patience, understanding and training to make it the friend I want it to be . The adjustment period is different for each animal, but I am committed to making it work. \_\_\_\_\_

I agree to contact SSHS should I need to re-home the cat/kitten \_\_\_\_\_

I understand that many shelter animals come with unknown histories and behaviors, and I am willing to invest the time to train or retrain my cat/kitten \_\_\_\_\_

I understand that while all known health concerns have been divulged , we cannot guarantee the health or temperament of any animal. I agree to assume full responsibility for any medical conditions that arise subsequently to adoption \_\_\_\_\_

I agree to contact SSHS (or a qualified positive trainer) if behaviors arise that I need help with \_\_\_\_\_

*The staff at SSHS strives to achieve the most successful match for both cat/kitten and prospective family. Thus, this application may not result in the adoption of a particular cat/kitten.*

I hereby certify that the above information is true. I understand that any falsification discovered during the adoption process may result in nullification of this adoption. Please email completed application to maryconnolly.sshs@comcast.net
